

The Essence of the Intelligent Design Movement

Ray Mondragon

I. The Introduction

II. The Fundamentals of Intelligent Design

A. The **Kinds** of Order

B. The **Nature** of Intelligent Design

C. The Concept of **Irreducible Complexity**

D. The **Explanatory Filter**

III. The Scientific Examples

A. The Simplest of **Cells** -

incredible complexity

B. The **DNA** Molecule -

software for life

C. The **Abundance** of Complexity -

throughout Universe

D. The **Fine Tuned** Universe

IV. The Intelligent Design Movement

A. The Areas in **Common** -

concept of design

B. The Areas of **Disagreement** -

theology

V. The Conclusion
