# FLOOD to ABRAHAM

Sumerians – 1<sup>st</sup> 25 dynasties

**“The high longevities of Noah's immediate family combined with the gentile Pentecost of human government to make that family the most astounding aristocracy the world has known. ... During this period, all but one of the 25 dynasties of the Sumerian King list and the first 12 dynasties of Egypt ran their course. ...**

**John Pilkey**

**Shem outlived most of them ...  
This era of the cohabitation of the  
earth by men who were virtual ‘gods’  
alongside men of more obvious  
mortality parallels the future  
Millennial Kingdom when resurrected  
saints will coexist with mortal  
humanity in building the greatest  
civilization history has ever seen.”**

A wide-angle photograph of the three Great Pyramids of Giza in Egypt. The pyramids are arranged in a line across a vast, sandy desert landscape. The sky is a deep blue with scattered white clouds. The pyramids are made of light-colored stone, and their shadows are cast onto the sand. The foreground is a flat, sandy area with some small rocks and debris.

The image shows the Great Pyramid of Khufu (Cheops) in Giza, Egypt. The pyramid is a massive structure made of limestone blocks, with a golden-brown hue. It is set against a clear, bright blue sky. The pyramid's surface is composed of many smaller blocks, and its edges are sharp and well-defined. The overall scene is a clear, sunny day.
