

NT SURVEY

An aerial photograph of a valley. In the foreground on the right, a large, craggy rock formation (likely a cliff face) dominates the view. Below it, a wide river flows through a green valley. A long, straight road or highway runs parallel to the river. The background shows rolling hills and mountains under a clear blue sky. The text 'NT SURVEY' is overlaid in the top left corner.

By Ray Mondragon

An aerial photograph of a vast landscape. In the foreground, a large, deep blue lake curves through a valley. The surrounding land is a mix of green fields, brownish-yellow agricultural fields, and some small clusters of buildings. In the distance, a range of low mountains or hills stretches across the horizon under a clear, light blue sky. The overall scene is bright and expansive.
