## Sea of Galilee

A photograph of the Sea of Galilee at sunset. The sun is a bright, glowing orb on the horizon, casting a long, shimmering reflection across the water's surface. In the foreground, a dark, curved pier or breakwater extends from the left side into the water. In the middle ground, a long pier structure with several truss-like bridges spans across the water. The sky is a gradient of soft colors, from pale blue to warm orange and yellow near the horizon. The overall mood is serene and contemplative.
