# Herod's Temple

The inner courts of Herod's Temple were accessible by 10 gates, through which only Jews could enter. Inside there were several chambers and a courtyard where sacrifices were made. At one end was the holy place—a two-room sanctuary used by Jewish priests. The expansive building project of Herod's Second Temple and Temple Mount was completed in approximately AD 62–64, only to be destroyed by the Romans in AD 70.

# Sea of Galilee

A photograph of the Sea of Galilee at sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water. The sky transitions from a pale blue to a warm orange. In the middle ground, a long pier structure with several arches extends into the water. The foreground shows the dark, rippling water of the lake.
