

# REVELATION

A large aircraft carrier is shown from a high-angle perspective, sailing on a choppy sea. The ship's deck is visible, with several aircraft parked. The sky is overcast. The word 'REVELATION' is superimposed at the top in large, 3D, metallic letters with a blue-to-red gradient.

“... refers to the capability of computational systems to perform tasks typically associated with human intelligence, such as learning, reasoning, problem-solving, perception, & decision-making. ... develops & studies methods & software that enable machines to perceive their environment & use learning & intelligence to take actions that maximize their chances of achieving defined goals.”

The background of the slide is a dark blue field filled with glowing white and light blue circuit traces and data lines, creating a high-tech, digital atmosphere. In the lower-left foreground, a white and black robotic hand is visible, with its index finger pointing towards the center-right of the image. In the center-right, there is a glowing, rectangular icon with the letters 'AI' in a bold, blue, sans-serif font. The icon has a white border and appears to be floating or embedded within the circuitry. The overall composition suggests a focus on artificial intelligence and its capabilities.

A photograph of the Sea of Galilee at sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water. In the middle ground, a bridge with several arches spans the water. The sky is a mix of orange, yellow, and blue. The water in the foreground is dark and calm.
