“Hitler believed that primitive Christianity was the ‘first Jewish-Communist cell.’ The Nazis therefore propounded their own Millennium . . . The 1000 year Reich was propagated as a counter culture millenarianism directly opposed to the very originators of the millennial/apocalyptic worldview—Jews and Christians.”

“... expects the proclaiming of the Spirit-blessed gospel of Jesus Christ to win the vast majority of human beings to salvation in the present age. Increasing gospel success will gradually produce a time in history prior to Christ’s return in which faith, righteousness, peace, and prosperity will prevail in the affairs of people and of nations. After an extensive era of such conditions the Lord will return visibly, bodily, and in great glory, ending history with the general resurrection and the great judgment of all humankind.”

A photograph of the Sea of Galilee at sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water. In the middle ground, a long pier with several arched metal truss sections extends from the left towards the center. The water is dark blue with gentle ripples. The sky is a mix of soft orange and pale blue. In the far distance, low hills are visible under the twilight sky.
