➤ A Matter of Worldviews

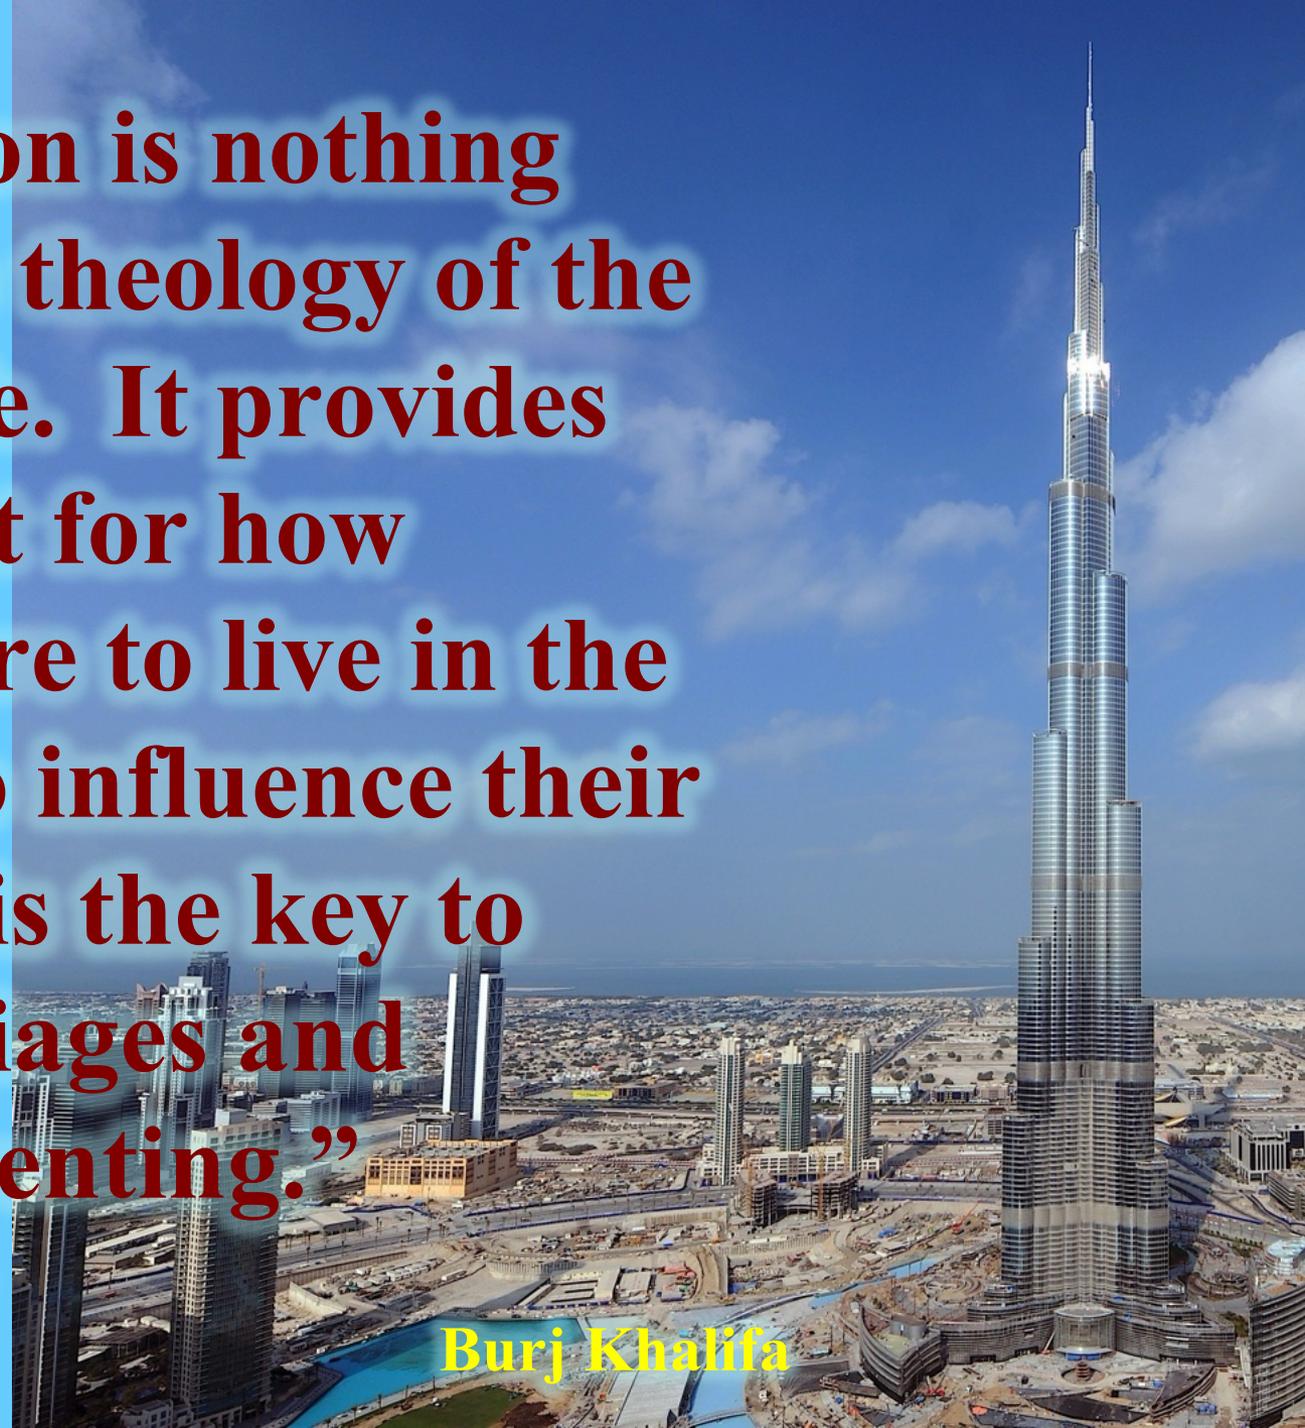

REFORMATION DOCTRINES

- **Authority of Scriptures**
- **Justification by Faith**
- **Doctrine of Vocation**

“Vocation is nothing less than the theology of the Christian life. It provides the blueprint for how Christians are to live in the world and to influence their cultures. It is the key to strong marriages and effective parenting.”

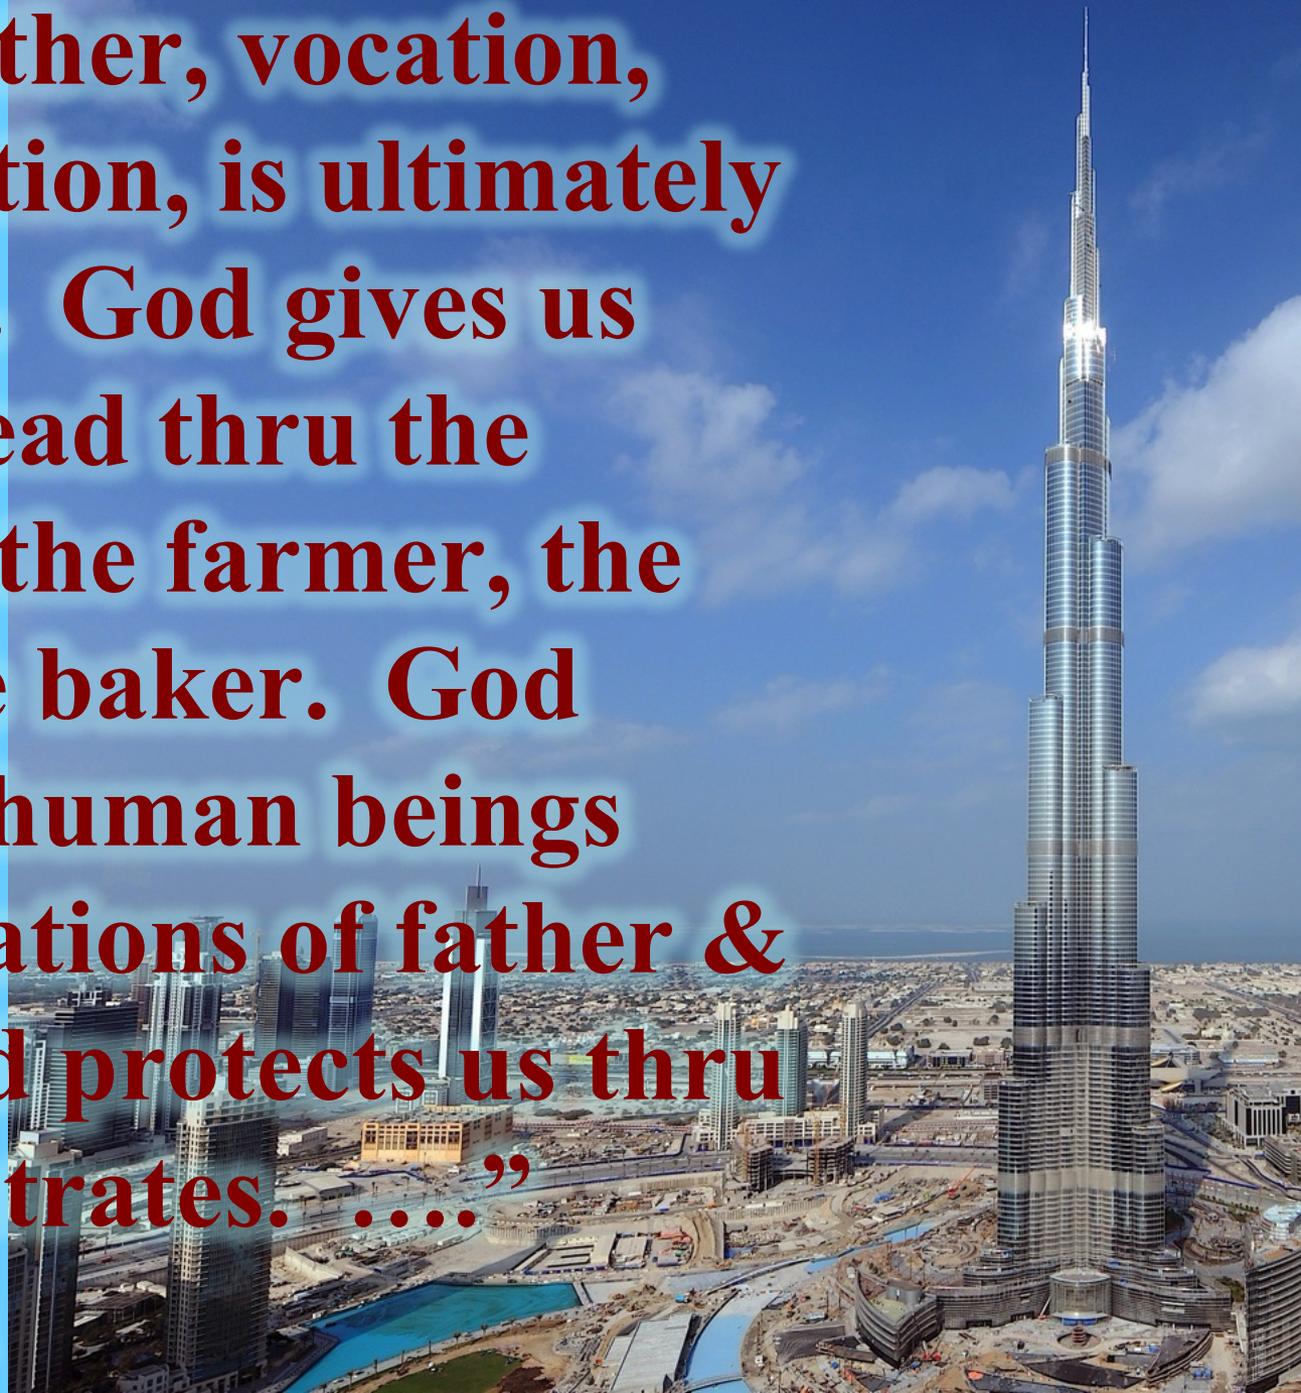

M. Luther

Burj Khalifa

**“For Luther, vocation,
like justification, is ultimately
God’s work. God gives us
our daily bread thru the
vocations of the farmer, the
miller, & the baker. God
creates new human beings
thru the vocations of father &
mother. God protects us thru
lawful magistrates.”**
