A photograph of the Sea of Galilee at sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water. In the middle ground, a long pier with several arched metal truss sections extends from the left towards the center. The water in the foreground is dark and textured with small ripples. The sky is a gradient of orange and yellow near the horizon, fading into a pale blue at the top. The overall mood is serene and contemplative.
