

SCIENCE And The SCRIPTURES - Science Evidence for Creation

Ray Mondragon

I. The Introduction to Intelligent Design

A. The Distinction with General Creation Science

B. The Essence of Intelligent Design

II. The Science Evidence -

A. The Evidence from **Biology** -

1. The Simplest of Cells -

for Creation

design

incredible complexity

2. The DNA Molecules -

software for life

3. The Complexity Everywhere -

throughout Universe

B. The Evidence from **Physics** -

laws of thermodynamics

C. The **Anthropocentric Principle**

D. The Evidence from **Cause & Effect**

E. The **Other** Evidence
