

# ESCHATOLOGY

The background of the image is a large aircraft carrier, likely an Nimitz-class carrier, at sea. The ship is viewed from a high angle, showing its deck and superstructure. The water is a light blue-grey color. The sky is a pale, hazy blue. The word 'ESCHATOLOGY' is written in large, bold, 3D letters across the top of the image. The letters have a blue-to-red gradient and a metallic, reflective texture.

# INTRODUCTION

## I. Introduction

The image features the classic 'The End' logo from Looney Tunes. The words 'The End' are written in a white, elegant cursive script with a blue drop shadow. This text is centered within a dark blue circular area. The background consists of several concentric, slightly blurred circles in shades of red and orange, creating a tunnel-like or target-like effect.

**“Hitler believed that primitive Christianity was the ‘first Jewish-Communist cell.’ The Nazis therefore propounded their own Millennium . . . The 1000 year Reich was propagated as a counter culture millenarianism directly opposed to the very originators of the millennial/apocalyptic worldview—Jews and Christians.”**

**Politics Today**

# **POLITICS TODAY**

- ✓ **Great Reset - obliteration of capitalism**

“Because the goals of the Great Reset depend on the **obliteration not only of free markets, but of individual liberty and free will**, it is, perhaps ironically, unsustainable. Like earlier attempts at totalitarianism, the Great Reset is doomed to ultimate failure. That doesn’t mean, however, that it won’t, again like those earlier attempts, leave a lot of **destruction in its wake**—which is all the more reason to oppose it now and with all our might.”

Michael Rectenwald

- ✓ **Globalism of today - utopian hope**
- ✓ **Environmentalism - Salvation of earth**

- **Eschatology not side issue**

“[The dispensational] view of history is anti-humanist and anti-developmental. . . Change takes place almost solely through dramatic **divine intervention**. . . .Modern historiography assumes that human and natural forces shape the course of history. . . .These totally opposing views of history lay at the heart of the conflict and misunderstanding between theological liberals and their fundamentalist opponents.”
