5. Taught kings

A photograph of the Sea of Galilee at sunset. The sun is a bright yellow orb on the right side of the horizon, casting a long, shimmering reflection on the water. In the middle ground, a long pier with several arched metal trusses extends into the water. A line of buoys curves across the foreground from the bottom left towards the center. The sky is a gradient of orange and yellow, and the water is a deep blue with gentle ripples.
